

SONY HALL

PRIVATE EVENTS

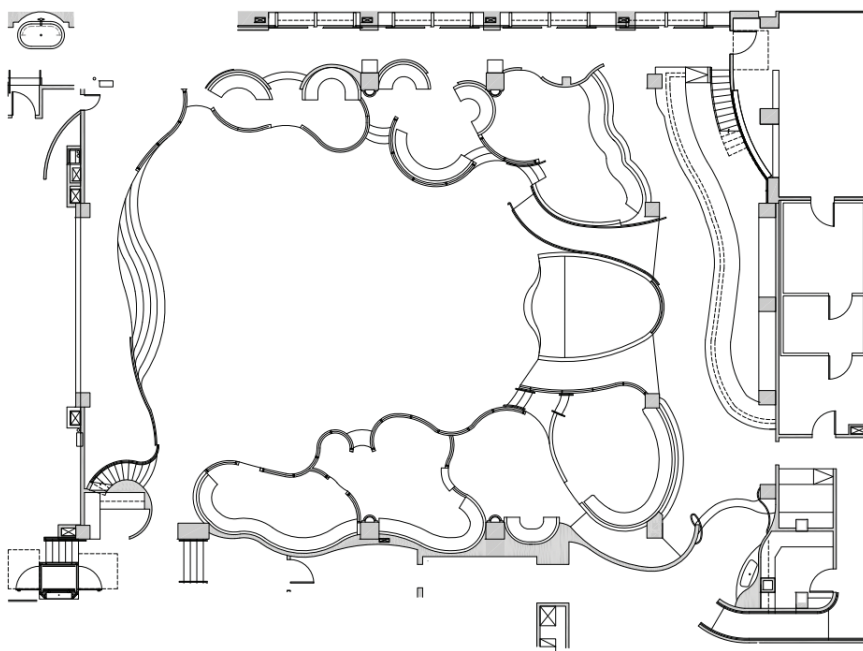

LOCATED IN THE HEART OF MANHATTAN'S THEATER DISTRICT

Nestled inside the Paramount Hotel, Sony Hall originally opened in 1938 as the Diamond Horseshoe. It quickly became one of the most iconic venues of the vaudeville era, and was known for the off-Broadway hit “Queen of the Night”. In 2009, the French renaissance and baroque detailed building received architectural recognition by being designated a New York City landmark.

After “Queen of the Night” closed, the space reopened as Sony Hall in 2018, a multi genre live music hall, leaving much of the venue’s dynamic design intact.
